

# THE GOLDEN RULE PROFESSIONAL PRODUCTION BIBLE

Filmstage-inspired breakdown logic plus CineSched-style scene strips, built from the June 7 script extract and the approved August 13-28 planning board. This is a professional starter, not a locked AD schedule.

Search scenes, cast, props, risks, locations

All location groups

All shoot days

All element tags

Use this like a production boneyard: filter scenes by element, location, cast, risk, or day; then verify eighths, scene numbers, and final scheduling with the AD/script supervisor.
